The Secy (P.W.) 1927*

67 The request conveyed in the Registrar's letter of 31st March 1927 was for permission being granted to Mr. Justice Doraswami Iyer "to draw Daily Allowance addition to Railway Fare" or "Railway Fare and Road Mileage" drawn for journeys performed in connection with the special duty. This was the concession that was sanctioned by Government and it is in accordance with the ruling contained in clause (d) of Appendix Q applicable to journeys performed by the Chief Judge. There was no question of the grant of daily allowance in addition to mileage for journeys by road only. Even if such a request had been made, it would probably not have been sanctioned by Government, for under the general principles governing the Travelling Allowance Regulation mileage for road journeys is intended to cover all charges which are expected to be met out of ordinary Daily Allowance. The disallowance made by the Comptroller -- items (1) and (2) in the Registrar's letter

CHIEF COURT OF MYSORE,

Public Office Buildings, Cabbon Park,

From

Registrar, Chief Court of Mysore.

To

B. NAGAPPA, Esq., Bar-at-Law.,

Secretary to Government,

Law Department.

Str,

I am directed to invite reference to your confidential letter No. P.3988/Uts.227-26-1 dated the 7th February 1927, requesting that Mr. Justice C. S. Doraswami Iyer may go into the question of the unequal distribution of work in some of the Special Magistrates' Courts and forward proposals agreed to by the Judges for removing the existing defects and consider the feasibility of the draft scheme relating to the combination of civil and magisterial functions.

2. I am to state for the information of Government that with a view to make a thorough examination of the question in its different aspects and also to have the benefit of the opinion of local officers and leading citizens, and to hear their representations and difficulties, Mr. Justice Doraswami Iyer has arranged to visit selected centres in all the districts in the State during the months of April and May when the Chief Court will be closed for the annual Vacation. In order that this special work may not interfere with his work as a Judge of the Chief Court and that it may be completed before the re-opening of the Courts, his journeys to the different centres have to be performed as expeditiously as possible and mostly by a motor car.

3. Although under the Mysore Service Regulations, daily allowance cannot be claimed in addition to railway fare or mileage

for one and the same day, except as allowed under exception to article 591 M.S.R., yet in view of the special nature of the work and the journeys to be performed by Mr. Justice Doraswami Iyer and the fact that his camp has to be shifted to proceed or follow him as expeditiously as possible, I am to request that on the analogy of the exception to article 554 of the Mysore Service Regulations, and as a special case he may be permitted to draw daily allowance in addition to railway fare or railway fare and road mileage drawn for journeys performed in connection with this special duty. If it is considered that special sanction of Government is necessary in addition to the provision contained in clause (f), Article 535, Mysore Service Regulations, to perform road journeys between places connected by railway and claim road mileage rates in such cases, such sanction may also be kindly accorded.

4. In this connection, I am to state that the Stenographer, clerk and peons who will accompany Mr. Justice Doraswami Iyer have also to travel expeditiously with the Judge with the office files, etc., and sanction may also be accorded for their performing road journeys between places connected by railway and claiming road mileage rates for such journeys and daily allowance at the rates admissible to them in addition to mileage and also for performing road journeys exceeding fifty miles in one day wherever necessary, under Article 596 A, Mysore Service Regulations.

5. As Mr. Justice Doraswami Iyer intends starting on his tour on the 5th proximo, I am to request the favour of very early orders in the matter.

I have the honour to be,
Sir,
Your most obedient servant,

Sir,

I am directed to state that in connection with the special tour undertaken by Mr. Justice C. S. Doraswami Iyer in the months of April and May 1927, for making local enquiries re. combination of civil and magisterial functions and equalizing the distribution of civil and criminal judicial work, there was a clerk on Rs. 35/- and a mutchi on Rs. 16/-, among the staff that proceeded on duty with the Judge. This clerk and the mutchi (Mr. S. Narahari Rao and Santoji Rao) now represent (Vide. copy of the representation enclosed) that the mileage rates of 2 annas and 6 pies, respectively, allowed in their case under clause (a) of Article 539 A. Mysore Service Regulations, were hardly sufficient to cover the actual charges incurred by them, the journeys having had to be performed expeditiously by road, special conveyances having had to be arranged for at specially high rates, and they pray that mileages at 4 annas and 2 annas, respectively, may be allowed to them as a special case for this trip.

2. I am to add that the Chief Court considers that their prayer is a reasonable one and to request that the Government may be pleased to allow the clerk a mileage of 4 annas and the mutchi that of 2 annas in the present instance.

I have the honor to be,

Sir,

Bangalore, 2nd June 1927.

To

The R e g i s t r a r,

Chief Court of Mysore,

B A N G A L O R E.

Sir,

We, the undersigned beg to bring the following few lines to your kind consideration and favourable orders.

Under the present rules in the Service Regulations Road Mileage is limited to two annas in the case of clerks on less than Rs. 40 and it works a great hardship especially on the present occasion of the special tour with Mr. Justice C. S. Doraswami Iyer. While the rates for conveyances are not different in the case of persons drawing either less or more than Rs. 40, the M. S. R. makes much difference, namely two annas and four annas.

Moreover the journey connected with the special enquiry was undertaken very expeditiously by road and special conveyance had to be arranged for at special rates in some places and at very short notice. The special charges paid exceed in most cases the rates allowed.

• In this particular journey we, the clerk and mutchi, who accompanied the Judge will be put to much financial loss and trouble as we have paid in some cases more than the rate allowed under the rules. Further the conveyances arranged had to await our convenience as to the hours of journey.

We

We therefore request that we may be allowed to
claim road mileage at four annas and two annas respectively.

We beg to remain,

Sir,

Your most obedient servants,

Sd/- S. Narahari Rao, (clerk)

Sd/- Santhoji Rao, (Mutchi).

Sir,

I am directed to state that in connection with the special tour made in the months of April and May last by Mr. Justice C. S. Doraswami Iyer, for making local enquiries with a view to a thorough examination of the question of unequal distribution of work in some of the Special Magistrates' Courts and to consider the feasibility of the combination of civil and magisterial functions, travelling allowance bills were prepared and sent to the Comptroller for audit, but he has deferred the marginally

(1) Daily allowance claimed in addition to mileage for 14 days in April and 7 days in May 1927.

(2) Mileage claimed in addition to Daily Allowance on the 29th of April and the 2nd May 1927.

(copies enclosed).

2. In the Government

Order No. 5374-5/cts. 227-26 dated the 13th April 1927, permission has been given as a special case to draw daily allowance in addition to railway fare or railway fare and road mileage along with sanction to perform road journeys between places connected by railway and

claim mileage rates in such cases, and also sanction to perform journeys exceeding 50 miles a day. This permission, it was believed, covered the claim for daily allowance in addition to purely road mileage also as was the intention in making my reference read in the Government Order abovenamed. I am therefore to request that the Government may be pleased to instruct the Comptroller to construe the Government Order as allowing daily allowance in addition to purely road mileage also, in the case of the Judge as well as of the stenographer, clerk and peons.

3. As the Comptroller seems to think that Exception 3 to Article 539, Mysore Service Regulations, does not cover the taking of motor car by rail in the present instance, and restricts it to inspections only, I am to request also that the Government may be pleased to pass necessary orders with a view to admit the charge for having conveyed a motor car from Holalkere to Bangalore City, by rail.

4. On receipt of the Orders of Government a supplemental bill will be prepared and forwarded to the Comptroller.

R.O.C. No. 23

FROM

A. Sreenivasaragavachari, Esq., B.A., B.L.,
Registrar, Chief Court of Mysore.

To

B. N A G A P P A , Esq., Bar-at-Law,
Secretary to Government,
Law Department.

Sir,

I am directed to invite reference to Government Order No.P.756-7/Cts. 227-26-7 dated 2nd August 1927 declining to sanction daily allowance in addition to road mileage to Mr. Justice C. S. Doraswami Iyer for the tours undertaken by him in connection with the special work given to him in regard to the Separation Scheme and the feasibility of the combination of civil and magisterial functions.

2. As already explained in my previous letter R.O.C. No.923/26-27 dated 31st March 1927 the journeys had to be performed very expeditiously and for the most part by road in car, so that the special work did not interfere with his ordinary duties as a Judge of the Chief Court. The special nature of the work and the journeys performed necessitated not only the shifting of camps more often than in ordinary tours, but also the sending of an advance party and the maintaining of camps at more than one place at the same time to fit in with the speedy travel by car. Although in ordinary tours road mileage will often cover the charges which are expected to be met out of daily allowance, where the journeys, as in the present instance, had to be performed by motor car without a sufficient number of days of halt during the tour for which days daily allowance could have been claimed, it will not be possible to meet the charges for maintenance of camps from out of the mileage alone.

3. I am to observe that even with the grant of daily allowance with road mileage as now recommended, it will barely cover the actual out of pocket expenses of the tours undertaken by the Judge in this connection and will not conflict with the general principles laid down in regard to travelling allowances in Articles 533 and 534 of the Mysore Service Regulations.

4. In these circumstances, I am to request that the Government may be pleased to re-consider their order and sanction, as a special case, the grant of daily allowance in addition to purely road mileage for the journeys in question.

I have the honour to be,

S i r,

Your most obedient servant,
